"What a Beautiful Difference One Single Life Made"

Richard was the greatest gift our family ever received. His unconditional love and enthusiasm for life blessed us all in ways we never imagined. It was an easy decision for us to entrust Richard's care for 14 years to the staff at AccessPoint RI. They became a part of our extended family as they provided support and guidance to us all, and Richard with the same love and respect he received at home.

We are happy to help this wonderful agency continue to provide its many worthwhile services. Thank you all for supporting AccessPoint RI today by joining us at Richard's Memorial Tournament.

The Rotelli Family

On behalf of the AccessPoint RI Board of Directors, entire staff and the children, families and individuals we have the privilege to support, we would like to extend our sincere gratitude and appreciation to

Peter and Rosemary Rotelli

For co-chairing the golf tournament for the 11th year and their unwavering dedication, and commitment to AccessPoint RI.

Richard's motto "don't worry be happy" was something he consistently gave to others. His ability to get the most out of a day put a smile on the faces of those around them. Whether skipping down the halls of Cornerstone School or participating in the activities of the Dyer Ave day services program, Richard's warm smile, affectionate interactions and infectious laugh showed he lived his motto.

Don't let that lousy shot or missed putt get you down.

Honor Richard Don't Worry Be Happy!
