

AccessPoint RI is proud to honor Diane Silvestri as our 2013 Partner in Philanthropy. Diane gives generously of her time, ideas, and caring to all of us at AccessPoint RI. She is a champion for our new Art Program and supports and serves on the committees of all our fundraising events. She is always there to help with whatever needs to be done. Diane is committed to our mission to empower people with differing abilities to claim and enjoy their right to dignity, respect, equality, and choice.
