

AccessPoint RI is honored to recognize Katherine Sullivan as its 2014 Partner in Philanthropy. Kathy is an avid supporter of AccessPoint and was drawn to AccessPoint by her nephew Richard who received support from our organization. As a family member she knows first-hand how vitally important the support AccessPoint provides are to our community and understands why philanthropic gifts are not only valuable, but a necessity. Since Richard's passing Kathy generously continues to volunteer, advocate and donate her resources. She plays a vital role in the success of our primary fundraiser each year. Kathy has proven she is truly committed to our mission and to improving the lives of those with differing abilities. We are so very appreciative!
