

Sam Brickle

It is our great pleasure to honor Mr. Sam Brickle as our Partner in Philanthropy, on this, National Day of Philanthropy, in recognition of his outstanding leadership and ability to make a difference at AccessPoint RI through his philanthropic giving over the last decade.

Sam has consistently participated in the annual Richard Rotelli Memorial Golf Tournament and auction which is the main fundraiser for AccessPoint RI each year. Sam donates through purchases and giving far more than any other participant, year after year. In addition to the funds he has contributed, Sam, through his business, The Brickle Group, has donated 100 blankets for people supported in our group homes. We believe that Sam is a great example of what selfless giving truly means.
