AccessPoint RI
Empowering People. Changing Lives.

60 Years of Service AccessPoint RI

At AccessPoint RI, we empower children and adults with differing abilities to claim their right to dignity, respect, education, equality, and choice throughout their lives.

For 60 years, we've partnered with individuals and families to help them pursue what matters most to them. Whether it's a family seeking support to optimize a child's development, an adult needing assistance to live independently, or an individual seeking job training to find employment, AccessPoint's knowledgeable and caring staff is dedicated to helping each person live a fuller, more independent life.

CONFLICT-FREE CASE MANAGEMENT

Our dedicated Conflict-Free Case Management team provides expert support to elders and adults with disabilities who qualify for Medicaid Long-Term Services and Supports. We are committed to helping you navigate your care with independence, dignity, and confidence.

We work alongside you to:

- Create a personalized care plan that aligns with your goals, preferences, and needs.
- Connect you with essential services and resources to help you live independently and thrive.
- Monitor your progress and provide continuous support to help you achieve your goals.

Our goal is to empower you with the right support, ensuring a better quality of life with the services you choose.

OUR VISION & GUIDING PRINCIPLES

We envision an inclusive and diverse community where every person will have the opportunity to thrive.

Commitment We are dedicated to supporting individuals in reaching their full potential. Our approaches are comprehensive, responsive, and creatively designed to address diverse needs effectively

Person-Centered Focus We place each individual at the center of our work. By understanding their lives, goals, and aspirations, we provide support that empowers them to shape and navigate their unique paths forward.

Communication Open, honest, and transparent communication is essential. We strive to listen actively and share meaningful information, ensuring that our support is both responsive and effective.

Collaboration We prioritize building partnerships grounded in mutual respect, trust, and shared responsibility, working together to achieve individual and collective success.

Diversity We honor and celebrate the unique contributions of every individual, embracing the rich variety of cultures, backgrounds, and experiences within our community.

Innovation We are committed to exploring new opportunities for growth and success. Through leadership and creativity, we aim to develop forward-thinking solutions that pave the way for a better future.
